

# THE METRO REGION GRAND CLASSIC

JUNE 28-29, 2024 • OXFORD, NEW JERSEY

Dear CCCA Members,

The Metro Region is planning its Grand Classic on June 28-29, 2024. The location will be "The Loft at Jack's Barn" in Oxford, New Jersey. This private eight acre venue with beautiful gardens and a barn with modern amenities filled with antiques and collectibles offers us a wonderful combination of country rustic along with the elegance a Grand Classic deserves.

On Friday, June 28th, we will have an optional tour beginning at The Loft at Jack's Barn with a buffet lunch, then a drive through the lovely country roads of northwest New Jersey, visiting the USGA Golf Museum in Far Hills, NJ housed in the elegant three-story brick Georgian Colonial mansion designed by John Russell Pope in 1919. You will have the opportunity to take golf history into your own hands by using replicas of classic wooden shaft putters on their Pyne's Putting Course. We then continue on our tour to Steve Babinsky's Restoration Shop in Lebanon, NJ where you will see Classics in varying stages of restoration. Our day will conclude with a delightful dinner at the Smashed Olive, a local restaurant.

Saturday, June 29th, will be a full day starting with breakfast at The Loft at Jack's Barn, the Grand Classic with the Classics displayed on the grounds and judging beginning at 10 am, midday snacks and cash bar, followed by an elegant Awards Luncheon later in the afternoon. The festivities will conclude at 4:30 pm, at which time you may remove your Classic to go home or enjoy dinner on your own at a restaurant of your choosing.

This is the first Grand Classic held by the Metro Region in more than ten years. We would be thrilled if you joined us for a wonderful day in the country. As there are limits to the number of participants – please sign up early and join the fun.

Trailer parking will be available in the town of Oxford, 1 mile away and at the Courtyard by Marriott Hotel.

*Regretfully, we must inform you that because this is a private venue, spectators, including non-paying members, may not attend to view the event.*
